About Marine Trading & Brokerage BV

We offer personal service, a broad range of vessels and a worldwide network of suppliers and customers.

Our no-nonsense approach is getting the desired results, and our modest commission fees are already well known.

In this setting, we are trying to improve our service and so, be a step ahead of the competition.

WE ARE SPECIALIZED IN

- Cutter and Hopper dredgers,
- All kinds of Dredging material,
- Split barges,
- Pontoons,
- Crane barges,
- Harbor and Deep Sea,
- Tugboats,
- Cargo vessels,
- Reefers etc.
- New built projects.

Our website gives you a clear view of the available vessels. Ship management and outsourcing projects in shipping we handle on a worldwide basis. A service not many companies are able to offer.

How we achieve our goal?

Located in Rotterdam at the very heart of the Marine industry, together with a very motivated team of experts we can do the job for you! This setup has clear advantages for our customers, as it widens our field of service greatly.

Equally important it is a very cost effective and time efficient way of doing business. So if customers want to inspect a vessel they can come to Schiphol or Rotterdam Airport for greater convenience.

Why choose MT&B?

WE CAN SELL YOUR VESSEL

Through our worldwide network and knowledge of the shipping market, we get the desired results.

WE'LL FIND THE RIGHT VESSEL FOR YOU

If you need a certain vessel, that is a very good reason to ask us to find it.

RENOVATION

MT&B can upgrade your vessel and bring them under new Bureau VERITAS or any other classification bureau. For customers a cost effective way, if new build isn't relevant at that moment in time.

NEW BUILD PROJECTS

Through our contacts with shipyards all over the world we can also supply new builds or nearly new vessels direct from owner at competitive prices.

We provide the solution for all your requirements!

Therefore, with great confidence we look to the future, but most of all in working with you to develop an even better and broader business relationship.

This is and will remain the basis of our company strategy, so

“Welcome Aboard”

Kind regards,
