Dear business relation,

As per 20 February 2009, the earlier announced integration of Bruinhof B.V. within Siemens Nederland N.V. (Sector Industry, Industry Automation & Drive Technologies) is successfully completed. The product portfolios of both companies are complementary, which has increased our capabilities in the maritime world and has made us a stronger partner to our business relations within this sector.

With this letter, we would like to inform you of the necessary modifications resulting from this acquisition. We have done our utmost to keep these administrative changes to an absolute minimum. Our address data are:
